- Allows You To Use The Beat (or Song) For ONE Commercial Recording or Broadcast
- Beat(s) Will Have An Intro Voice Tag
- C-Ram Beats Owns FULL RIGHTS
- Full Credits Must Be Given (Prod.By C-Ram Beats)

You will receive an encoded MP3 file of the tagged song. The song file can be delivered instantly after purchase or through the email. Leasing rights allow you to use the beat (or song) for ONE commercial recording or broadcast. This recording can then be distributed at your price for up to 2,000 copies. Selling more than 2,000 copies means you must acquire a new lease or exclusive rights. You may also use the beat for non-profit promotional use or demos. You may not recreate, remake, add/delete or resell the beat(s). In the event that someone buys exclusive rights to the beat you have leased, your rights shall stand and the beat is still yours to use. You may also acquire new leasing rights if you sell more than 2,000 copies since your contract predates exclusive sale. Upon purchasing leasing rights, the seller still owns the beat(s) and the seller is able to resell the beat(s) to any other party until exclusive rights have been purchased.

Thank you for your purchase and hope to do business with you again.
